

WINTER RENTAL RATES - 2005/2006

Algonquin Outfitters has two locations to start your winter adventures. Our Oxtongue Lake store has cross-country ski and winter camping equipment for rent and for sale, as well as outdoor clothing, equipment and accessories. The Huntsville store, at 86 Main St. E., offers a wide selection of both cross-country and alpine ski equipment, outdoor clothing and also sells, services and rents snowboards and bikes. Rental reservations are only necessary for large groups. We cannot guarantee a perfect boot fit for reserved ski equipment but we'll do our best. Please call 1-800-469-4948 (705-635-2243) if you have any questions. A two day minimum rental charge applies to all camping equipment rentals.
